

822 Melody Avenue NSP Renovation

Renaissance Homes and the City of Lafayette have worked together to renovate 822 Melody in the Glen Acres neighborhood. This home features many upgrades including: new carpet, an added half-bath, an added pantry, a new high efficiency gas furnace, a tankless water heater (the most efficient in water heating), a new washer and dryer, a completely repainted interior, and a new driveway.

Additionally, all new Energy-Star appliances and Energy-Star rated windows have been added. This house will soon be offered for sale to owner-occupants. Details of the sale and bidding procedure will be posted on the city's website.
